CULTURALLY RESPONSIVE PRECALCULUS

Year long, immersive community of practitioners interested in providing culturally responsive and affirming curriculum and instruction

Small group of teachers and community college instructors meet monthly to discuss and analyze curriculum and teaching practices

HOW IS THIS CURRICULUM SPECIAL?

- It is place based: centers Tucson, Arizona and Southwest US
- It affirms who students are and uses their backgrounds as assets
- It is mathematically robust
- It is mathematically authentic

REQUIREMENTS

Preference will be given to those qualified to teach dual enrollment classes in 2024/25
